The start of the new year is traditionally a time to make resolutions for what you would like to do in the year ahead. You might be inspired by what's on offer here at the Job Hub...

What is the Job Hub?

We are a small and friendly team of qualified employment and training advisers who can support you in a range of different ways.

We have good relationships with local employers and keep up to date with the jobs market in Camden, including current vacancies.

You can talk to us about what you would ideally like to do with your life, and we can support you in looking for the right chances to gain **experience** and **qualifications**.

Many Job Hub clients start by volunteering to build up their **experience** and **skills**, and we have a skilled volunteer coordinator who can help find you the perfect **volunteering** opportunity. We can also help you to **build your confidence**, through one to one support; access to on-site groups and workshops or work with you to identify **training** and or **education** that will give you the chance to gain a **qualification** and a chance to **learn** and **grow**.

We can also help you to **create or update your CV**, **find and apply for jobs**, and **practise for interviews**.

Are you **feeling stuck** with your job applications, or attending lots of interviews, but not getting a job offer? We can talk with you about why and offer feedback and suggestions for how to get 'unstuck'.

The Job Hub team are happy to meet with you. Please call **020 7380 0453** or email jobhub@somerstown.org.uk to make an appointment.

Introducing Faisal & Lisa to the Job Hub Team

Hi, my name is Faisal. I have over 5 years of experience in the employability sector.

I am happy to be a part of the new employability team in the Living Centre.

My main aim is to understand where residents are! And where they want to be!

And then assist them into sustainable employment which they enjoy. Some of the industries I have placed residents in are Retail, Hospitality, Security, Employability, Technology, Primary Education, and more. I look forward to working with residents and assisting them in their careers, respectively.

Hi, my name is Lisa and I'm really excited to be joining the Job Hub team.

I have enjoyed living in Camden Town for 30 years and am very much looking forward to helping my fellow residents find new job opportunities and career prospects.

I believe that finding purposeful and fulfilling work is essential to promoting good health and overall well-being, so I will be doing my best to assist and support all residents in their quest for purposeful employment.
