LOCAL NEWS AND INFORMATION

We are extremely pleased...

...to confirm that we are working with Camden Health Evolution-Camden GP Federation to support the delivery of the vaccine to residents from the local community at the Living Centre.

Those invited for their vaccination will be local people in the priority age groups, as per national prioritisation.

Residents should wait for a text/letter/phone call, as the vaccination program is being run according to government directions relating to the groups deemed most vulnerable first.

If you are in the above 70 age range and haven't heard anything please do contact your GP; who will be able to advise you accordingly.

If you don't have a GP, then please speak to the vaccination team on site and seek advice.

Whilst the Living Centre team are happy to help, the vaccination programme is being managed by the GP Federation and sadly our staff will not be able to answer questions relating to the vaccinations.

Somers Town Community Hub NOW OPEN...

Connecting local people to essential services and each other

Somers Town Community Association and Camden Mobile Food Bank are proud to be able to promote our new joint venture; The Somers Town Community Hub, located at Somers Town Community Association, 150 Ossulston Street, London NW1 1EE

The Hub is supported by The St Pancras and Somers Town Living Centre, Phoenix Court, The Francis Crick Institute, Global Generation, Little Village, Origin Housing and Blind Aid and aims to ensure dignity and respect for those accessing the service.

It offers its users the opportunity to pick their own food, whilst also being able to access all of the support mechanisms that are available through the partners and our wider networks, food provided is all free of charge.

The Hub is now **OPEN** should you have any questions about how you can get involved or access the Hub, please email info@thelivingcentre.org or to self-refer go to <https://www.urbancommunityprojects.org.uk/referral-form>

LOCAL NEWS AND INFORMATION

Working for the community. Getting the community working!

We are so happy to be open again and here to support you while you get where you want to go. The current COVID-19 pandemic presents challenges and opportunities for all of us. We are here beside you to inspire, advise and support you as best we can.

What can we help you with?

You can talk to us about what you would ideally like to do with your life, and we can support you in looking for the right chances to gain experience and qualifications. Many Job Hub clients start by **volunteering** to build up their experience and skills; **building confidence** by taking part in a group or workshop; or undertaking **training** or **education** that will give them a **qualification** and chance to learn and grow.

Once you are ready, we can also help you to **create or update your CV**, **find and apply for jobs**, and **practise for interviews**.

Wherever you are in your journey, start by taking one step forward in the direction you want to go!

Please call **07949 144 230** or email jobhub@somertown.org.uk to make an appointment to speak with us. We are working remotely but can also organise a COVID-secure appointment if there is a reason you need to see somebody in person.

Somers Town Community Projects Your Ideas with You in Control

Idea

To pilot the creation of a means by which locally identified, projects can be brought to life, managed and delivered by local residents and supported by a £10k budget committed jointly by STCA and the St Pancras and Somers Town Living Centre.

Context

This pilot is predicated on the fact that the community of Somers Town has for decades articulated its own priorities; feeding into a million different consultations undertaken by a spectrum of stakeholders including Local Authority, VCS, Businesses and Developers.

Yet little if any of that community insight, knowledge has found its way into actual projects, let alone ones managed and delivered by the residents themselves.

Community representation

To ensure that the diversity of the local community is reflected representatives will be asked/requested/encouraged from:

- Older persons groups/clubs
- Young people groups/clubs
- Groups supporting those with disabilities
- Ethnic minorities (although it is expected that the other representatives will reflect the ethnic diversity of the community)
- Environmental groups
- Community activists inclusive of mutual aid groups
- LGBT forum
- Local history groups/clubs
- Faith groups

Commitment

Representatives will sit for one financial year, with a clear terms of reference that will include:

- Aims and Objectives of group
- Responsibilities of members
- Job descriptions for representatives
- Frequency of meetings and duration
- Code of Conduct
- Chair role
- Attendance requirements

A Chair will be appointed by majority vote from the representatives at the first meeting and a minute taker will be appointed at each meeting, members of this group will have job descriptions and will be given training inclusive of safeguarding, first aid, fire marshal, data management, H&S, project management, M&E and budget management.

Member's attendance time at the forum meetings will be paid at the London Living wage (anticipated max 2 hours per meeting) which recognises the value of their time.
