Jobs Fair @ the British Library

Good Work Camden's annual Jobs & Skills Event will take place at the British Library on Friday, 16th May 2025 at 11.00am – 3.00pm

Why visit the Job Fair?

- **Live Vacancies** – Gain access to current job openings.
- **Face-to-Face Impressions** – Meet employers in person and make a lasting impression beyond a CV or online application. Showcase your personality, communication skills, and enthusiasm.
- **Networking Opportunities** – Connect with recruiters, hiring managers, and representatives from various companies. Building relationships can lead to future job opportunities.
- **Access to Hidden Opportunities** – Many job openings are not advertised online. Employers at job fairs often look for candidates to fill positions quickly or with specific skills.

😊 SUCCESS STORIES 😊

We always love to see clients succeeding in achieving their aims, whether that's starting a new job or moving into education or training. This month we'd especially like to mention what one of our residents that has been accessing the service has said about his time with us.

"I have been working with Faisal for over a year now. He is an exceptional person to work with when it comes to helping me with job applications. He has a genuine care for me when it comes to well being – this is rare from other job advisors".

During his time with the Job Hub, our advisers first worked with Mohammed to improve his CV. We identified and highlighted the key skills he already had and helped arrange them in a way that effectively showcased his strengths to potential employers.

Mohammed was provided with multiple mock interviews and supported in applying for jobs that aligned with his interests. As he describes himself as an introvert who prefers working alone and away from large crowds, his adviser carefully considered this when identifying suitable job opportunities.

Recently, Mohammed started working part-time for Lime Bike – a role that allows him to work independently. So far, he is enjoying the job, as it aligns well with his personal preferences.

The STCA Job Hub is offering the following courses, training, and workshops on a continuous basis...
